

SUMMER CAMP SPONSORSHIPS

LCRA Parks has offered fun-filled summer camps for over 25 years. Our summer day camps offer a variety of enriching outdoor experiences, combining nature exploration and adventure, at three different locations, for ages 5-15 from June through August. By becoming a summer camp sponsor, you're making a tangible impact on youth in the outdoors.

Your sponsorship not only helps us serve more children in the lower Colorado River basin, but also creates a unique opportunity to share your business with area youth, parents and other community members.

For more information or to discuss potential involvement, contact parcs@lcra.org or 512-578-4085.
